REF: NEW BOARD OF DIRECTORS

By means of the present I have the good of communicating to them, that On Thursday April 10th of 2008, we realized, democratically, the elections of the AGMT to choose to the new board of directors, in that it presented only one front. For this reason the voting went in favor or against the same one.

Having won in favor vote, the following board of directors stayed in charge:

<u>President:</u>	Eduardo Unzueta
<u>Secretary of Relations:</u>	José kalizaya
<u>Director of the School:</u>	Gonzalo Jaimez
<u>Treasurer:</u>	Roberto Gómez
<u>Secretary of Minutes:</u>	Javier Tellaache

The most important points of the Plan of work presented by the board of directors to the Assembly of the AGMT are:

- To manage the funds of the AGMT in controlled and transparent form, presenting periodic reports of the handling of the money donated by the UIAGM, Embassy of France and the money collected by the AGMT.
- To solve the internally problems
- To design and to put in production the web of the AGMT
- To close and to legalize the new articles of association
- To manage the rules of the Guides
- To realize events of self-financing. These will be realized in pos of the AGMT, with the target to make to know our profession, our Association and also to generate resources.
- To prepare a plan of information to the tourist about the existence of Guides UIAGM in Bolivia.
- To extend credentials to the Applicants to Guide

PLAN OF THE SCHOOL

- Planning of the course of Guides 2008
- To organize courses of pedagogics and organization, for instructors
- To prepare courses of fundamental (Glaciología, Geology, pedagogics, etc.).

It is necessary to mention that the board of directors to assumed as priority the solution of an internal way, all those conflicts that exist to the date, which are already handleby the involved parts.

It very important for us to make you know that all the internal topics of the AGMT, will be treated as it corresponds, without involving the UIAGM unnecessarily not to any other institution.

For the caused problems I make extensive the excuses of all the associates of the AGMT. For all the topics concerning to our institution, I request let's be able to communicate from now on officially across the following e-mail address: unzueta.eduardo@gmail.com
The same one that will be replaced shortly, once put in production the website of the AGMT.

To inform you that the course of Pre – Applicants should carry out at the end of May. In this one the Applicants with the best qualifications will be taken into account, to learn from the instructors during the course.

To inform you also, we are in phase of planning of the course of guides for the management 2008.

We are grateful in advance for the continuity of your valuable support, which is vital for the AGMT.

Without another individual yours faithfully

Eduardo Unzueta
